

VALUE-SHELL PROJECT

MODULE 4) RESULT'S PRESENTATION MEETING

13th October 2023, 10:30-12:00 CET

The VALUE-SHELL project is funded by the Italian Ministry of Agriculture, Forestry and Food Sovereignty and is coordinated by CREA Policies and Bioeconomy (CREA-PB) in collaboration with CREA Zootechnics and Aquaculture (CREA-ZA). The Project is divided into the following Modules:

- Module 1) Context analysis of the sector (CREA-PB)
- Module 2) Quantification of positive externalities on the environment (CREA-ZA)
- Module 3) Analysis of community and national policies (CREA-PB)
- Module 4) Needs Assessment (CREA-PB).

TOPIC

During the meeting, Module 4) main results will be presented:

- sectorial need's assessment obtained through a collaborative approach
- prioritization of themes indicated by producers and stakeholder.

MEETING'S MODALITY

Participants will be asked to briefly expose their view and/or personal experience on the Module 4) Project's methodology and results.

The meeting will be held on Microsoft Teams.
